The Light Source
1/2 inch Pipe to 1/2 inch Bolt Adapter

This adapter allows you to use readily available 1/2" steel water pipe to make custom length hanging adapters. The square shape allows you to tighten these to the pipe with a crescent wrench instead of a pipe wrench. The adapter is made from aircraft grade aluminum.

Working Load Limit	125 Pounds
Hardware	1/2" -13 tpi by 1" hex head cap screw and our 1" OD Belleville spring washer.
Dimensions	1" by 1" x 1.5" long
Weight	1.5 ounces
Case Quantities	each

Order Codes **MP.5B.5M** Pipe to bolt adapter for 1/2 pipe, Mill, Silver
