The Light Source
Mega-Baby

The Mega-Baby is designed to allow fixtures that normally mount to a 5/8" pin on a floor stand to be hung from the studio grid. The fixture is mounted onto the Mega-Baby's chrome plated 5/8" x 2-1/2" steel stud. A spring steel 1/8" hairpin safety clip is attached to the clamp with a stainless steel lanyard. The Mega-Square handle is included for fastening the Mega-Baby to the grid without tools.

Minimum Size	1" pipe, 1.315" OD pipe
Maximum Size	2" pipe, 2.375" OD
Working Load Limit	100 pounds
Hardware	1/2-13 by 3" square head set screw with attached Mega-Square Handle.
Weight	1.1 Pounds
Case Quantities	12
