The Light Source
Mega-Folding Floor Stand

The Mega-Folding Floor Stand is a compact folding stand for placing light fixtures on the stage floor. It folds out into a stable 15" light base and folds up into a 6" square. Just fold in the appropriate legs to fit into corners, tight spots and against walls. The Mega-Folding Floor Stand has replaceable rubber feet so it won't mar the stage floor. A 1/2"-13 tpi x 1" long hex head bolt fastens the light fixture to the Mega-Folding Floor Stand. Available in either mill or black finish.
