The Light Source
Mega-Handle Square

The Mega-Handle stays permanently with the fixture. It installs by removing the 1/2" by 3" square head set screw from the clamp and slipping the Mega-Square cloverleaf over the screw from the threaded end. The square end of the bolt nests into the cloverleaf socket.

Dimensions	2-3/4" Long1" Wide1/2" Thick
Weight	1.2 oz.

Order Codes **MQM** Mega-Handle Square, Silver
