The Light Source
Mega-Junior Pin Receiver with Slim Claw

The Mega-Junior Pin Receiver is a great way to hang your film and studio light fixtures! Fits the standard 1-1/8" spuds commonly used for light stands and allows you to utilize these fixtures on the studio grid pipes. The Slim-Claw fits 1-1/2" pipe (1.9" OD) and 2" tubing without needing hand tools to hang the light fixture to the grid.

Minimum Size	1-1/2" pipe 1.9" OD
Maximum Size	2" OD
Working Load Limit	600 Pounds
Case Quantities	each
