5/8" Bolted Truss to Pipe Adapter

The 5/8" Bolted Truss to Pipe Adapter easily allows joining a pipe to the end of a 5/8" bolted truss. Simply bolt the adapter to the truss with a 5/8" bolt and thread on a 1-1/2" pipe for special requirements. Locking set screw for pipe threads for extra safety.

Order Codes **TTPA1.5M** 5/8" Bolted Truss to Pipe Adapter, Silver
 TTPA1.5B 5/8" Bolted Truss to Pipe Adapter, Black
