The Light Source
XYZ Channel

The XYZ Channel and the XYZ Mount make installing LED video walls a breeze. The 6061T6 aluminum alloy channel is pre-drilled on one inch centers for number 12 flathead screws to allow easy mounting to 16" and 24" on center studs. The XYZ mount slides in from the side to any desired location and is locked in place with a set screw. Available in two lengths, 1800 mm and 2400 mm, to match most LED panels.

Order Codes

XYZ-CHANNEL-1800 XYZ Channel 1800 mm, Silver
XYZ-CHANNEL-2400 XYZ Channel 2400 mm, Silver
