Mega-Slim Coupler with Eye Nut

The Mega Slim Coupler with eye nut is a lower profile option for smaller applications. It is half the width of our standard Mega-Coupler and weighs 30% less; yet fits the same pipe and tube diameters as the Mega-Coupler.

The Mega-Slim Coupler will fasten from 1-1/4" pipe (1.66 OD) to 2.050 OD Truss Tube. It has a wide wing nut for easy fastening of the coupler to the pipe or tube

**Working Load
Limit** 500 Pounds
